CHICAGO – The Illinois Department of Transportation (IDOT) announced that lane closures will take place the Kennedy Expressway (Interstate 190 and Interstate 90), in Chicago, for pavement repairs, weather permitting, Saturday, Feb. 11.

The repairs will require a closure of the far left lane between 6 a.m. to 10 a.m. on Interstate 190 from Bessie Coleman Drive and East River Road and Interstate 90 from East River Road to Lawrence Avenue.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
